

```
msmf::state_machine  
_def< LogicStateMachineFront  
End >
```

UAVSystem

LogicStateMachineFrontEnd

robot_system_

The diagram illustrates the relationships between three components. At the bottom center is a box labeled 'LogicStateMachineFrontEnd'. A solid blue arrow points from this box to a box at the top left containing the code 'msmf::state_machine _def< LogicStateMachineFrontEnd >'. A dashed purple arrow points from the 'LogicStateMachineFrontEnd' box to a box at the top right labeled 'UAVSystem'. The label 'robot_system_' is placed near the dashed arrow.
