

parseernode::Parser

```
graph BT; SampleParser --> parseernode::Parser
```

The diagram illustrates an inheritance relationship. A light gray box at the top contains the text 'parseernode::Parser'. A dark gray box at the bottom contains the text 'SampleParser'. A blue arrow points vertically from the top of the 'SampleParser' box to the bottom of the 'parseernode::Parser' box, indicating that 'SampleParser' inherits from 'parseernode::Parser'.
